RECYCLED WATER CUSTOMER DEVELOPMENT UPDATE

SUMMARY:

The following is the monthly update on the progress of the District's pursuit of recycled water customers.

Staff is completing the conversion at Golden Springs Business Center, including working with DHS to complete four landscape projects (Buildings: M, N, R and A-3) located within the Golden Springs Business Center in the City of Santa Fe Springs. The five sites will generate 20 AFY, bringing the total Golden Springs Business Center recycled water project to 130 AFY. Representatives of DHS have informed staff that letters of approval for all four sites will be submitted to the stakeholders by late March.

DHS has also approved the dual irrigation system (recycled and potable) schematics proposed by the Los Angeles County Park and Recreation Department regarding Los Amigos Golf Course. Representatives from the Los Angeles County Parks and Recreation Department have informed staff that the bid process regarding the construction of a new dual irrigation system will be implemented within 60 days.
