## INFORMATION CALENDAR

ULTRA-LOW FLUSH TOILET (ULFT) DISTRIBUTION UPDATESUMMARY:

The Board of Directors of the Water Replenishment District (WRD) recently approved funding to partner with the District on the ULFT programs. The funding will be used to purchase an additional 200 toilets per event that will help augment the District's contribution of 500 per event; therefore, allowing for a total of 700 ULFTs per event to be provided to the public.

Two successful ULFT programs have been conducted to-date in Central Basin's (District) Divisions III and IV. The remaining three programs are currently being coordinated. The following is the status of the remaining programs:

**Division I – Director Vasquez**

- A tentative date of June 10 has been scheduled for this program. Staff is currently working to confirm the city and community-based organization that will assist with the program.

**Division II – Director Apodaca**

- A program has been scheduled to take place at Pioneer High School in Whittier on April 8, 2006. Staff is currently working on coordinating the event.

**Division V – Director Hawkins**

- A date of April 19 has been scheduled for this program. The City of Lakewood has been selected for the event and a community-based organization is currently being sought.

Staff will continue working with each Director to schedule the remaining programs, and also work with WRD staff in coordination and marketing the programs.
