

Native Nights

California Friendly Gardening Workshop

A plant identification and plant use seminar that covers **25** native and low-water-use plants

Tuesday, Jan. 8th, 2008, 7:00 - 8:30 pm

In the La Mirada Resource Center
Located at 13710 La Mirada Boulevard
in Meeting Rooms 1 and 2

Topics covered are:

- The benefits of using native plants
- Plant selection tips
- Planting guidelines
- Maintenance recommendations
- Class covers shrubs, groundcover, trees and multi-category plants

A full color handbook is available that includes photos, descriptions, and other useful information about each of the 25 plants. Also included in the handbook is a section on native plant selection, care and maintenance.

 **Free Event** 

Space is limited, please call (310) 436-2609 to RSVP
