CENTRAL BASIN MWD DIRECTOR GARY MORSE PRESENTS CITY OF MONTEBELLO WITH \$22,056

MONTEBELLO, CA.— Central Basin Municipal Water District Director Gary Morse presented a check recently in the amount of \$22,056 to the City of Montebello. Due to the Central Basin Board of Directors recent decision to pass on surplus revenue to their member cities, the City of Montebello received the much needed additional funding. In these difficult financial times, Central Basin Municipal Water District is committed to doing its part to help ease any financial burden our member cities may be facing.
