CITY OF SANTA FE SPRINGS WITH \$72,693**

SANTA FE SPRINGS, CA.— Central Basin Municipal Water District President Robert Apodaca presented a check recently in the amount of \$72,693 to the City of Santa Fe Springs. Due to the Central Basin Board of Directors recent decision to pass on surplus revenue to their member cities, the City of Santa Fe Springs received the much needed additional funding. In these difficult financial times, Central Basin Municipal Water District is committed to doing its part to help ease any financial burden our member cities may be facing.
